AWESOME TEAM, AMAZING DESTINATIONS

Two assets stand us apart at AirAsia X: people and places. Our people are called Allstars for a reason. Full of drive and passion, they work fantastically as a team to give our guests the best experience, not just while flying with us, but also on the ground, at any point of contact from the time they book their flights till they reach their destinations. As for destinations, our long-haul model allows us to fly farther than most low-cost carriers, taking guests across the entire Australasian region. Over the years, we have opened a world of travel opportunities to Asians. Yet, this is only the beginning. Thanks to our awesome team, we're about to bridge even greater distances, expanding our network to include even more exciting destinations... Stay tuned for more updates!

Our guests' safety is our primary concern so we carry out our functions with care.
Because where safety is concerned, every little thing matters.

CARING

It's a warm and friendly feeling to have, so we take pleasure in caring for our guests
in ways that make them feel at home.

PASSIONATE

Being passionate means going the extra mile to achieve a purpose much larger than ourselves.
They say passionate people can change the world and that's something that's very close to our hearts.

FULL OF INTEGRITY

We believe everything that is worth doing, is worth doing right. It's about us doing the right things at all times.

HARD-WORKING

making sure we keep you connected to the best destinations at the lowest prices, we do it as a team.
All for one. One for all.

FUN

Fun means we celebrate life. It means we laugh louder, our smiles are wider, and we can be our own unique selves.
We're a sociable bunch and we enjoy sharing ideas and solutions to make things even better.
After all, fun is meant to be shared.
