Cover Rationale

Brewing Success

Internationally, the bringing together of glasses, bottles and cans is recognised as a statement of togetherness and friendship. Often this gesture symbolises a time of celebration and happiness.

2004 marks the fortieth year of operation in Malaysia for Guinness Anchor Berhad. During this period the company has reached many milestones and has much to be thankful for.

In order to continue this success, the Company is looking to the future and implementing new values that will solidify our promise to our customers, consumers and Shareholders.

Together, we will brew success.

Cheers to that!
