## A COMMITMENT TO QUALITY

### NEED FOR POLICY STATEMENT

This quality policy statement is formulated to provide a formal communication to all employees on the basic quality interest to be preserved by the company. It serves as our operational guideline, and calls for strict compliance and firm commitment from everyone.

### CORPORATE PHILOSOPHY AND VALUES

We believe that maintaining quality in our products and services pays. To us, quality is our first priority, and quality is everybody's responsibility. As a responsible manufacturer and vendor, we are accountable to our customer on the quality of our output.

### DEFINITION OF QUALITY

Quality means providing our customers, internal and external, with products and services that conform to their needs and specifications.

### COURSE OF ACTION

To attain the above objective, a total quality system must be set up and implemented so that we can do the right thing in the right manner, the first time and every time.
