

Packaging Innovation

Packaging is an integral part of any product. Besides being attractive and durable, packaging needs to be functional too. Our innovative in-house experts strive to ensure every product packaging guarantees freshness, safety, convenience and whenever possible, environment-friendly too.

Inovasi Pembungkusan

Pembungkusan merupakan ciri penting bagi setiap produk. Selain menarik perhatian dan tahan lasak, pembungkusan juga perlu berfungsi. Pakar-pakar dalaman kami yang inovatif juga berusaha untuk memastikan setiap pembungkusan produk dapat menjamin kesegaran, keselamatan, kemudahan dan sebaik mungkin, juga mesra-alam.

MAGGI® Hari-Hari Favourites™ star shone bright when it won the AsiaStar 2002 Packaging Award, organised by the Asian Packaging Federation. The single-serve paste mix is packaged in a stand-up pouch with a tear-notch for convenience in opening the pouch. The neat tear enables the contents to be easily squeezed out with no mess. The pouch is made of aluminium-based laminate that retains product freshness.

MAGGI® Hari-Hari Favourites™ telah memenangi Anugerah Pembungkusan AsiaStar 2002 anjuran Persekutuan Pembungkusan Asia. Perencak ini dibungkus dalam pek boleh berdiri beserta bahagian siatan untuk kemudahan membuka pek yang membolehkan kandungan dituang secara kemas. Pek ini diperbuat daripada aluminium berlamina yang dapat mengekalkan kesegaran produk.
