

## ERRATA

The annual production capacity of the plants is illustrated below:

Kemampuan pengeluaran tahunan loji-loji dijelaskan di bawah:

| CAPACITY UTILISATION FOR 2003/KEMAMPUAN PENGGUNAAN BAGI 2003 |                             |                                           |                                                       |                                                      |
