

PRESS METAL UK LIMITED

Press Metal UK Limited was set up in November 1998 as wholly owned subsidiary. Strategically located in the industrial area of West Midlands, PMUK is positioned to provide efficient stockholding and delivery of standard and custom designed aluminium extrusion profiles to customers throughout the United Kingdom.

Customers are spread over a wide range of industrial and domestic applications, including doors and windows, ladders, electronic components, roller shutters, transportation, commercial displays, road signs, carpet trims, kitchen tops and ventilation. PMUK aims to supply value-added products to the UK customers to help them maintain competitiveness and at the same time making a positive contribution to the group performance.

Press Metal UK Limited (PMUK) was incorporated in United Kingdom on 24 November 1998 as a private limited company under the Companies Act, United Kingdom. PMUK is principally engaged in marketing aluminium products.
