COVER RATIONALE

STRATEGIZING FOR GREATER GROWTH

Poh Huat, a forward looking company adapts its strategies to achieve its goals for continued growth. We take significant, measurable actions and defined plans to continue progressing as we look to the promising future.

Knowing that we must focus on what we know best, we will strive to win loyalty, trust and involvement of our customer and workforce.

Being a value driven company, we will emphasise on stewardship and governance to enhance long term growth potential and value for all our stakeholders.
