'QL' means 'win-win' or 'mutual benefit' in Chinese language and the fact that our culture, conduct and the beliefs that we share and how we conduct business have a great deal to do with our performance to-date.

## **Principal Activities**

The QL Group is a diversified agricultural based group of companies. The Group is principally involved in marine products manufacturing, crude palm oil milling, poultry farming and trading and distribution activities.

The marine products manufacturing activities consist of manufacturing of fish-meal, surimi and surimi-based products. The Group is the largest fishmeal manufacturer in Malaysia. Its surimi and surimi-based products division is also a leading producer in Malaysia.

The Group now owns two independent crude palm oil (CPO) mill, which services the oil palm estates in East Malaysia (surrounding regions of Tawau). The Group carries out regional merchanting trade in food grains. In addition, it operates pets and pet products superstore in Malaysia. The Group also has a nationwide distribution network distributing feedmeal raw material, animal health products and feed supply including chilled and frozen consumer products.

The poultry farming division consists of layer and integrated broiler farming.
