Dear Sir / Madam

PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

1. INTRODUCTION

The Directors of the Company propose to table the adoption of the proposed renewal of the Share Buyback Mandate at the forthcoming AGM of the Company to be held on October 30, 2009 at 11.00 a.m. at 19A Serangoon North Avenue 5, 6th floor, Singapore 554859.

The purpose of this Appendix, which is circulated together with the Company's Annual Report, is to provide Shareholders with information relating to, and to seek their approval for, the proposed renewal of the Share Buyback Mandate.

The Share Buyback Mandate was originally approved by Shareholders at the Company's Annual General Meeting held on October 29, 2008 (the "**2008 AGM**") and will expire on the date of the forthcoming AGM to be held on October 30, 2009. If the proposed resolution for the renewal of the Share Buyback Mandate is approved at the AGM, the mandate shall, unless revoked or varied by the Company in general meeting, continue in force until the date on which the next AGM of the Company is held or is required by law to be held, whichever is the earlier.

2. RATIONALE

The approval of the proposed renewal of the Share Buyback Mandate will give the Company flexibility to undertake purchases or acquisitions of its own Shares subject to the terms and limits described in section 3 of this Appendix.

The Directors constantly seek to increase Shareholders' value and to improve, *inter alia*, the return on equity of the Group. A share buyback at the appropriate price level is one of the ways through which the return on equity of the Group may be enhanced.

Share buybacks provide the Company with a mechanism to facilitate the return of surplus cash over and above its ordinary capital requirements in an expedient, effective and cost efficient manner. It will also provide the Directors with greater flexibility over the Company's share capital structure with a view to enhancing the earnings and/or net tangible asset value

per Share. The Directors further believe that share buybacks by the Company will help mitigate short term market volatility, offset the effects of short-term speculation and bolster Shareholder confidence.

If and when circumstances permit, the Directors will decide whether to effect the share purchases via market purchases or off-market purchases, after taking into account the amount of surplus cash available, the prevailing market conditions and the most cost-effective and efficient approach.

3. TERMS OF THE MANDATE

The authority and limitations placed on purchases and acquisition of Shares by the Company under the Share Buyback Mandate are summarised below:

3.1 Maximum number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

The total number of Shares that may be purchased or acquired by the Company pursuant to the Share Buyback Mandate is limited to that number of Shares representing not more than ten per cent. (10%) of the issued ordinary share capital of the Company as at the date of the approval of the Share Buyback Mandate (the “**Approval Date**”). Any Shares which are held as treasury shares will be disregarded for the purposes of computing the ten per cent. (10%) limit.

For illustrative purposes only, on the basis of 345,220,096 Shares (excluding treasury shares) in issue as at the Latest Practicable Date and assuming no further Shares are issued and no Shares are held by the Company as treasury shares on or prior to the Approval Date, the purchase by the Company of up to the maximum limit of ten per cent. (10%) of its issued Shares will result in the purchase of approximately 34,522,009 Shares.

3.2 Duration of authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the Approval Date, up to the earlier of:

- (a) the date on which the next AGM is held or required by law to be held;
- (b) the date on which the share buybacks are carried out to the full extent mandated; or
- (c) the date on which the authority contained in the Share Buyback Mandate is varied or revoked.

3.3 Manner of purchase or acquisition

Purchases or acquisitions of Shares may be made by way of, *inter alia*:

- (a) on-market purchases (“**Market Purchase**”), transacted on the SGX-ST through the SGX-ST’s Central Limit Order Book (CLOB) trading system or, as the case may be, any other stock exchange on which the Shares may for the time being be listed and quoted, through one or more duly licensed stockbrokers appointed by the Company for the purpose; and/or

- (b) off-market purchases (“**Off-Market Purchase**”), otherwise than on a securities exchange, in accordance with an equal access scheme(s) as may be determined or formulated by the Directors as they may consider fit, which scheme(s) shall satisfy all the conditions prescribed by the Companies Act and the Listing Manual.

Under the Companies Act, an equal access scheme must satisfy all of the following conditions:

- (a) offers for the purchase or acquisition of issued Shares shall be made to every person who holds issued Shares to purchase or acquire the same percentage of their issued Shares;
- (b) all of those persons shall be given a reasonable opportunity to accept the offers made; and
- (c) the terms of all the offers are the same, except that there shall be disregarded:
 - (i) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;
 - (ii) differences in consideration attributable to the fact that offers relate to shares with different amounts remaining unpaid; and
 - (iii) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

In addition, the Listing Manual provides that, in making an Off-Market Purchase, the Company must issue an offer document to all Shareholders which must contain at least the following information:

- (a) the terms and conditions of the offer;
- (b) the period and procedures for acceptances;
- (c) the reasons for the proposed share buyback;
- (d) the consequences, if any, of share buybacks by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (e) whether the share buyback, if made, would have any effect on the listing of the Shares on the SGX-ST; and
- (f) details of any share buyback made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases.

3.4 Maximum purchase price

The purchase price (excluding brokerage, stamp duties, applicable goods and services tax, stamp duties, clearance fees and other related expenses) to be paid for the Shares will be determined by the Directors.

However, the purchase price to be paid for the Shares as determined by the Directors must not exceed:

- (a) in the case of a Market Purchase, 105% of the Average Closing Price (as defined below) of the Shares; and

- (b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 105% of the Average Closing Price (as defined below) of the Shares,

(the “**Maximum Price**”) in each case, excluding related expenses of the purchase or acquisition.

For the above purposes:

“**Average Closing Price**” means the average of the closing market prices of a Share over the last five (5) Market Days on which Shares are transacted on the SGX-ST or, as the case may be, such securities exchange on which the Shares are listed or quoted, immediately preceding the date of the Market Purchase or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted, in accordance with the rules of the SGX-ST, for any corporate action that occurs after the relevant five (5) day period; and

“**date of the making of the offer**” means the date on which the Company makes an offer for the purchase or acquisition of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

4. SOURCE OF FUNDS FOR SHARE BUYBACK

The Company may only apply funds available for the purchase or acquisition of the Shares as provided for in its Articles of Association and in accordance with the applicable laws in Singapore. The Company will use internal resources and/or external borrowings to finance its purchase or acquisition of the Shares.

Where the purchase or acquisition of Shares is financed through internal resources, it will reduce the cash reserves of the Company, and thus the current assets and Shareholders’ funds of the Company. This will result in an increase in the gearing ratios of the Company and a decline in the current ratios of the Company. The actual impact on the gearing and current ratios will depend on the number of Shares purchased or acquired and the prices at which the Shares are purchased or acquired.

Where the purchase or acquisition of Shares is financed through external borrowings or financing, there would be an increase in the gearing ratios of the Company and a decline in the current ratios of the Company, with the actual impact dependent on the number of Shares purchased or acquired and the prices at which the Shares are purchased or acquired.

However, the Directors do not propose to exercise the Share Buyback Mandate to such an extent as would have a material adverse effect on the working capital requirements of the Company or the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

5. STATUS OF PURCHASED SHARES UNDER THE SHARE BUYBACK MANDATE

A Share purchased or acquired by the Company pursuant to the Share Buyback Mandate is deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Share will expire on such cancellation) unless such Share is held by the Company as a treasury share. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

6. TREASURY SHARES

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:

6.1 Maximum holdings

The number of Shares held as treasury shares cannot at any time exceed ten per cent. (10%) of the total number of issued Shares.

6.2 Voting and other rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of Shares as fully paid bonus Shares in respect of treasury shares is allowed. Also, a subdivision or consolidation of any treasury share into treasury shares of a smaller amount is allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

6.3 Disposal and cancellation

Where Shares are held as treasury shares, the Company may at any time:

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to an employee's share scheme;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

7. FINANCIAL EFFECTS OF THE SHARE BUYBACK MANDATE

The financial effects on the Company and the Group arising from purchases or acquisition of Shares which may be made pursuant to the Share Buyback Mandate will depend on, *inter alia*, whether the Shares are purchased or acquired out of capital and/or retained profits of the Company, the number of Shares purchased or acquired, the consideration paid for such Shares and whether the Shares purchased or acquired are held as treasury shares or cancelled.

7.1 Purchase or acquisition out of capital or profits

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's capital and/or retained profits so long as the Company is solvent.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, such consideration (excluding brokerage, commission, applicable goods and services tax and other related expenses) will not affect the amount available for the distribution of cash dividends by the Company.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of retained profits, such consideration (excluding related brokerage, goods and services tax, stamp duties and clearance fees) will correspondingly reduce the amount available for the distribution of cash dividends by the Company.

7.2 Number of Shares acquired or purchased

Purely for illustrative purposes, on the basis of 345,220,096 Shares (excluding treasury shares) in issue as at the Latest Practicable Date and assuming no further Shares are issued and no Shares are held by the Company as treasury shares on or prior to the AGM, the purchase by the Company of up to the maximum limit of ten per cent. (10%) of its issued Shares will result in the purchase of approximately 34,522,009 Shares (the “**Maximum Number of Shares**”).

7.3 Maximum price for Shares acquired or purchased

In the case of Market Purchases by the Company and assuming that the Company purchases the Maximum Number of Shares at the Maximum Price of S\$0.224 per Share (being the price equivalent to 105% of the Average Closing Price of the Shares traded on the SGX-ST for the five consecutive Market Days immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase is S\$7,732,930 (excluding ancillary expenses such as related brokerage, goods and services tax, stamp duties and clearance fees).

In the case of Off-Market Purchases by the Company and assuming that the Company purchases the Maximum Number of Shares at the Maximum Price of S\$0.224 per Share (being the price equivalent to 105% of the Average Closing Price of the Shares traded on the SGX-ST for the five consecutive Market Days immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase is S\$7,732,930 (excluding ancillary expenses such as related brokerage, goods and services tax, stamp duties and clearance fees).

7.4 Illustrative financial effects

For illustrative purposes only, assuming that the Company had on the Latest Practicable Date purchased the Maximum Number of Shares pursuant to the Share Buyback Mandate, the financial effects of:

- (a) the purchase of the Maximum Number of Shares by the Company at the Maximum Price pursuant to the Share Buyback Mandate by way of purchases made out of capital and profits and held as treasury shares; and
- (b) the purchase of the Maximum Number of Shares by the Company at the Maximum Price pursuant to the Share Buyback Mandate by way of purchases made out of capital and profits and cancelled,

on the audited financial statements of the Group and the Company for the financial year ended June 30, 2009 are as follows:

Shareholders should note that the financial effects set out above are for illustrative purposes only. Although the Share Buyback Mandate will authorise the Company to purchase or acquire up to ten per cent. (10%) of the issued Shares, the Company may not necessarily purchase or be able to purchase the entire ten per cent. (10%) of the issued Shares. In addition, the Company may cancel all or part of the Shares repurchased or hold all or part of the Shares repurchased in treasury.

8. LISTING RULES

The Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m., (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares and (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer. Such announcement currently requires the inclusion of details of the total number of shares purchased, the purchase price per share or the highest and lowest prices paid for such shares, as applicable.

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the Share Buyback Mandate at any time after a price sensitive development has occurred or has been the subject of a decision until the price sensitive information has been publicly announced. In particular, in line with the best practices guide on securities dealings issued by the SGX-ST, the Company would not purchase or acquire any Shares through Market Purchases during the period of two weeks and one month immediately preceding the announcement of the Company’s interim results and the annual (full-year) results respectively.

The Listing Manual requires a listed company to ensure that at least ten per cent. (10%) of any class of its listed securities must be held by public Shareholders. As at the Latest Practicable Date, approximately 68.62% of the issued Shares are held by public Shareholders.

The Company will not carry out any share buyback unless at least ten per cent. (10%) of its listed securities can be maintained in the hands of public Shareholders and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading.

9. TAKE-OVER OBLIGATIONS

Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:

9.1. Obligation to make a take-over offer

If, as a result of any purchase or acquisition by the Company of its Shares, a Shareholder’s proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. If such increase results in a change of effective control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a mandatory take-over offer for the Company under Rule 14 of the Take-over Code.

9.2 Persons acting in concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons will, *inter alia*, be presumed to be acting in concert:

- (a) A company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts);
- (b) A company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the above companies, any company whose associated companies include any of the above companies and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights;
- (c) A company with any of its pension funds and employee share schemes;
- (d) A person with any investment company, unit trust or other fund in respect of the investment account which such person manages on a discretionary basis;
- (e) A financial or other professional adviser, with its clients in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholding of the adviser and any of those funds in the client total 10% or more of the client's equity share capital;
- (f) Directors of a company, together with their close relatives, related trusts and companies controlled by any of them, which is subject to an offer where they have reason to believe a bona fide offer for their company may be imminent;
- (g) Partners; and
- (h) An individual, his close relatives, his related trusts, and any person who is accustomed to act according to the instructions and companies controlled by any of the above.

For further details, Shareholders are advised to refer to the Take-over Code.

The circumstances under which shareholders of a company (including directors of the company) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 after a purchase or acquisition of shares by the company are set out in Appendix 2 of the Take-over Code.

9.3 Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 is that, unless exempted, Directors of the Company and persons acting in concert with them will incur an obligation to make a takeover offer for the Company under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or if the voting rights of such Directors and their concert parties fall between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six months.

Under Appendix 2, a Shareholder not acting in concert with the Directors of the Company will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buyback Mandate.

Shareholders who are in doubt are advised to consult their professional advisers and/or the Securities Industry Council and/or the relevant authorities at the earliest opportunity as to whether an obligation to make a take-over offer would arise by reason of any share purchases or acquisitions by the Company pursuant to the Share Buyback Mandate.

9.4 Directors' and Substantial Shareholders' Interests

The interests of the Directors and the substantial Shareholders of the Company as at the Latest Practicable Date, as recorded in the Register of Directors' Shareholdings and the Register of Substantial Shareholders maintained under the provisions of the Companies Act, are as follows:

Notes:

- (1) Based on the total issued and paid-up share capital of 345,220,096 Shares (excluding treasury shares) as at the Latest Practicable Date.
- (2) Lim Tai Meng, Alvin is the son of Lim Eng Hong.
- (3) Lim Wei Ling, Elaine is the daughter of Lim Eng Hong.
- (4) Loh Zee Lan, Nancy is the spouse of Lim Eng Hong.
- (5) Lim Eng Hong is deemed to be interested in the Shares held by Lim Tai Meng, Alvin, Lim Wei Ling, Elaine and Loh Zee Lan, Nancy.

9.5 Take-over Consequences

In the event that the Company undertakes Shares purchases or acquisitions of up to ten per cent. (10%) of the issued Shares of the Company as permitted by the Share Buyback Mandate:

- (a) the shareholdings and voting rights of Mr Lim Eng Hong may be increased from approximately 23.07% to approximately 25.63%; and
- (b) the shareholdings and voting rights of Mr Lim Eng Hong, Mr Lim Tai Meng, Alvin, Ms Lim Wei Ling, Elaine and Mdm Loh Zee Lan, Nancy (the "**Lim Family**") may be increased from an aggregate of approximately 30.71% to approximately 34.13%.

Accordingly, the aggregate of their shareholdings and voting rights may thus be increased by more than one per cent. (1%) within a six-month period and the Lim Family and their concert parties may be required to make a mandatory general offer for the Shares under Rule 14 read with Appendix 2 of the Take-over Code.

An application was made to the Securities Industry Council ("**SIC**") on September 14, 2009 to exempt each of Mr Lim Eng Hong, Mr Lim Tai Meng, Alvin, Ms Lim Wei Ling, Elaine and Mdm Loh Zee Lan, Nancy and their concert parties from the requirement to make a general offer under Rule 14 of the Take-over Code if their aggregate shareholdings and voting rights should increase by more than one per cent. (1%) within a six-month period as a result of the Company purchasing its Shares (the "**Share Purchase**") pursuant to the Share Buyback Mandate.

The SIC has, in its letter dated September 23, 2009, given its approval for the application subject to the following conditions:

- (a) the Appendix on the resolution to approve the proposed renewal of the Share Buyback Mandate to contain advice to the effect that by voting to approve the proposed renewal of the Share Buyback Mandate, Shareholders of the Company are waiving their rights to a general offer at the required price from the Lim Family and parties acting in concert with them; and the names of the Lim Family and parties acting in concert with them, their voting rights at the time of the resolution and after the Share Purchase is disclosed in the same Appendix;
- (b) the resolution to approve the proposed renewal of the Share Buyback Mandate is approved by a majority of those Shareholders present and voting at the meeting on a poll who could not become obliged to make an offer as a result of the Share Purchase;
- (c) the Lim Family and parties acting in concert with them abstain from voting for and recommending Shareholders to vote in favour of the resolution to approve the proposed renewal of the Share Buyback Mandate; and
- (d) the Lim Family and parties acting in concert with them have not acquired and will not acquire any Shares between the date on which they know that the announcement of the proposed renewal of the Share Buyback Mandate is imminent and the earlier of:
 - (i) the date on which the authority of the renewed Share Buyback Mandate expires; and
 - (ii) the date on which the Company announces it has bought back such number of Shares as authorised by the renewed Share Buyback Mandate or it has decided to cease buying back its Shares, as the case may be,

if such acquisitions, taken together with those repurchased by the Company under the renewed Share Buyback Mandate, would cause their aggregate voting rights in

the Company to increase by more than one per cent. (1%) in the preceding six months.

If the Company ceases to buy back its Shares and the increase in the aggregate voting rights held by the Lim Family and parties acting in concert with them as a result of the Share Purchase at such time is less than one per cent. (1%) in any six-month period, the Lim Family and parties acting in concert with them may acquire further voting rights in the Company. However, any increase in their percentage voting rights in the Company as a result of the Share Purchase will be taken into account together with any voting rights acquired by the Lim Family and parties acting in concert with them (by whatever means) in determining whether they have increased their aggregate voting rights in the Company by more than one per cent (1%) in any six-month period.

Shareholders should note that by voting in favour of the resolution relating to the Share Buyback Mandate to be proposed at the AGM, Shareholders are waiving their rights to a general offer at the required price from Mr Lim Eng Hong, Mr Lim Tai Meng, Alvin, Ms Lim Wei Ling, Elaine and Mdm Loh Zee Lan, Nancy and their concert parties.

Each of Mr Lim Eng Hong, Mr Lim Tai Meng, Alvin, Ms Lim Wei Ling, Elaine and Mdm Loh Zee Lan, Nancy has confirmed that he/she and his/her concert parties have not acquired and will not acquire any Shares between the date on which he/she knows that the announcement of the proposed renewal of the Share Buyback Mandate is imminent and the earlier of:

- (ii) the date the Company announces that it has bought back such number of Shares in the Company as authorised by the Share Buyback Mandate or the date it decides to cease buying back its Shares, as the case may be,

if such acquisitions, taken together with the proposed share buyback, would cause their aggregate voting rights in the Company to increase by more than one per cent. (1%) in the preceding six (6) months.

Each of Mr Lim Eng Hong, Mr Lim Tai Meng, Alvin, Ms Lim Wei Ling, Elaine and Mdm Loh Zee Lan and their concert parties will abstain from voting in favour of the resolution to approve the proposed renewal of the Share Buyback Mandate.

The Directors are not aware of any other Director and/or Shareholder who may become obligated to make a mandatory offer in the event that share buybacks are undertaken by the Company pursuant to the Share Buyback Mandate.
