9. To transact any other business of which due notice shall have been given.

By Order of the Board

Joscelyn Tan
Company Secretary

Explanatory Notes on Businesses to be transacted:

- a. Ordinary Resolution 1, if passed, will allow the Company to declare and pay the recommended final tax exempt (one-tier) dividend of \$0.015 per ordinary share to its members.
- b. Ordinary Resolution 4, if passed, will facilitate the payment of Directors' fees during the financial year in which the fees are incurred, that is during the financial year ending 31 December 2017.

Taking into account, amongst others, the significant increase in overall responsibilities and the increased focus on compliance and governance issues, the Board agreed with the Remuneration Committee's recommendation to propose a revision of the Directors' fee structure from the financial year ending 31 December 2017 as follows:

		Current Fees per annum	Proposed Increased Fees per annum
Board Members	Non-Independent Executive Directors	\$12,000	\$15,000
	Independent Non-Executive Directors	\$120,000	\$150,000
Audit and Risk Committee	Chairman	\$80,000	\$120,000
	Members	\$60,000	\$75,000
Nominating Committee	Chairman	\$45,000	\$50,000
	Members	\$33,750	\$35,000
Remuneration Committee	Chairman	\$45,000	\$65,000
	Members	\$33,750	\$45,000

The Directors' fees are computed based on the anticipated number of Directors, as well as Board and Board Committee meetings, for the financial year ending 31 December 2017, assuming full attendance by all the Directors. In the event that the amount proposed is insufficient, approval will be sought at the next AGM before payments are made to the Directors for the shortfall.

- c. Ordinary Resolution 5 is to seek approval to re-appoint PricewaterhouseCoopers LLP, Singapore as Auditor of the Company and to authorise the Directors to fix their remuneration.
- d. Ordinary Resolution 6, if passed, will empower the Directors from the date of this AGM to the next AGM to issue shares in the capital of the Company in accordance with the Listing Manual of the SGX-ST. The number of shares which the Directors may issue pursuant to this Ordinary Resolution would not exceed 50% of the total number of issued shares in the capital of the Company (excluding treasury shares) at the time this Ordinary Resolution is passed. For issues of shares other than on a pro-rata basis to all members, the aggregate number of shares to be issued shall not exceed 20% of the total number of issued shares in the capital of the Company (excluding treasury shares) at the time this Ordinary Resolution is passed.
- e. Ordinary Resolution 7, if passed, will modify and renew the General Mandate to allow the Company, its subsidiaries and associated companies or any of them to enter into certain interested person transactions with persons who are considered "interested persons" (as defined in Chapter 9 of the Listing Manual of the SGX-ST). Members are referred to the Appendix for more information.
- f. Ordinary Resolution 8, if passed, will entitle the Directors to effect the share buy-backs via market purchases or off-market purchases, after taking into account the amount of surplus cash available, the prevailing market conditions and the most cost-effective and efficient approach. The Directors do not propose to carry out buy-backs to an extent that would, or in circumstances that might, result in a material adverse effect on the liquidity and/or the orderly trading of the shares and/or the financial position of the Group, taking into account the working capital requirements of the Company or the gearing levels, which in the opinion of the Directors, are from time to time appropriate for the Company. Prior to effecting any share buy-backs, the Directors will need to comply with certain requirements of the Isle of Man Companies Act 2006. Members are referred to the Appendix for more information.

Notes:

- 1. A member entitled to attend and vote at the AGM is entitled to appoint one or two proxies to attend and vote in his stead. A proxy need not be a member of the Company.
- 2. The instrument of proxy shall not be treated as valid unless deposited at the Company's registered office at First Names House, Victoria Road, Douglas, Isle of Man, IM2 4DF, British Isles, or if submitted by electronic communication (as defined in the Isle of Man Electronic Transactions Act 2000), be received not less than 48 hours before the commencement of the AGM and at any adjournment thereof.
- 3. For depositors holding their shares through The Central Depository (Pte) Limited in Singapore, the Directors have determined that it is more practicable for the depositor proxy form to be delivered to, collected, collated, reviewed and checked at the share transfer agent's office in Singapore, M & C Services Private Limited, at 112 Robinson Road, #05-01, Singapore 068902, and as such will be counted as valid in regards to the AGM pursuant to Article 14.13(a) of the Company's Articles of Association. The depositor proxy form, duly completed, must be deposited by the depositor(s) at the abovementioned office of the share transfer agent in Singapore, or if submitted by electronic communication (as defined in the Isle of Man Electronic Transactions Act 2000), be received not less than 48 hours before the commencement of the AGM and at any adjournment thereof.
- 4. Each of the resolutions to be put to the vote of members at the AGM (and at any adjournment thereof) will be voted on by way of a poll.

Personal data privacy:

By submitting an instrument appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the AGM and/or any adjournment thereof, a member of the Company (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents or service providers) for the purpose of the processing, administration and analysis by the Company (or its agents or service providers) of proxies and representatives appointed for the AGM (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the AGM (including any adjournment thereof), and in order for the Company (or its agents or service providers) to comply with any applicable laws, listing rules, regulations and/or guidelines (collectively, the "Purposes"), (ii) warrants that where the member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents or service providers), the member has obtained the prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents or service providers) of the personal data of such proxy(ies) and/or representative(s) for the Purposes, and (iii) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.

Dear Sir/Madam,

APPENDIX RELATING TO THE PROPOSED:

- (1) MODIFICATIONS TO, AND RENEWAL OF, THE GENERAL MANDATE FOR INTERESTED PERSON TRANSACTIONS; AND**
 - (2) RENEWAL OF THE SHARE BUY-BACK MANDATE**
-

1. INTRODUCTION

The purpose of this Appendix is to provide Shareholders with the relevant information, and to seek Shareholders' approval at the forthcoming Thirty-Second AGM of the Company in relation to the proposed: (i) modifications to, and renewal of, the general mandate for Interested Person Transactions in compliance with Chapter 9 of the Listing Manual; and (ii) renewal of the Share Buy-Back Mandate for the purchase or acquisition by the Company of its issued Shares.

1.1 PROPOSED MODIFICATIONS TO, AND RENEWAL OF, THE GENERAL MANDATE FOR INTERESTED PERSON TRANSACTIONS

Chapter 9 of the Listing Manual governs transactions by the Company, as well as transactions by its subsidiaries and associated companies which are considered to be at risk, with the Company's Interested Persons. The purpose is to guard against the risk that Interested Persons could influence the Company, its subsidiaries and associated companies to enter into transactions with the Interested Persons that may adversely affect the interests of the Company or its Shareholders.

When Chapter 9 of the Listing Manual applies to a transaction and the value of that transaction alone or in aggregation with other transactions conducted with the same Interested Person during the financial year reaches, or exceeds, certain materiality thresholds, the Company is required to make an immediate announcement or to make an immediate announcement and seek Shareholders' approval for that transaction(s).

Except for certain transactions which, by reason of the nature of such transactions, are not considered to put the Company at risk and hence are excluded from the ambit of Chapter 9 of the Listing Manual, immediate announcement and Shareholders' approval would be required in respect of Interested Person Transactions if certain thresholds (which are based on the value of the transaction(s) as compared with the Group's latest audited NTA) are reached or exceeded.

In particular, an immediate announcement is required where:

- (i) the transaction is of a value equal to, or more than 3% of the Group's latest audited NTA; or
- (ii) the aggregate value of all transactions entered into with the same Interested Person during the same financial year amounts to 3% or more of the Group's latest audited NTA.

Shareholders' approval (in addition to an immediate announcement) is required for an Interested Person Transaction of a value equal to, or which exceeds:

- (i) 5% of the Group's latest audited NTA; or
- (ii) 5% of the Group's latest audited NTA, when aggregated with other transactions entered into with the same Interested Person during the same financial year.

For the purpose of aggregation, any Interested Person Transaction which is below \$100,000 is to be excluded.

The Group's latest audited NTA as at 31 December 2016 was approximately \$9,383,942,000. For the purposes of Chapter 9 of the Listing Manual, in the current financial year and until such time as the audited consolidated accounts of the Group

for the financial year ending 31 December 2017 are published, 3% and 5% of the Group's latest audited NTA would be approximately \$281,518,000 and \$469,197,000 respectively.

Chapter 9 of the Listing Manual permits the Company, however, to seek a mandate from the Shareholders for recurrent transactions of a revenue or trading nature or those necessary for its day-to-day operations such as the purchase or sale of supplies, materials and services (but not in respect of the purchase or sale of assets, undertakings or businesses) that may be carried out with the Interested Persons. Such a mandate is subject to annual renewal.

The IPT Mandate, which was renewed at the Thirty-First AGM on 21 April 2016, is effective until the Company's forthcoming Thirty-Second AGM to be held on 20 April 2017. The Company therefore seeks the approval of the Shareholders for the proposed modifications to, and renewal of, the IPT Mandate at the forthcoming Thirty-Second AGM to be held at Resorts World Ballroom West, Resorts World Convention Centre, Basement 2, 8 Sentosa Gateway, Resorts World Sentosa, Singapore 098269 on 20 April 2017 at 10.00 a.m., subject to satisfactory review by the Company's Audit and Risk Committee of its continued application to transactions with Interested Persons.

1.2 PROPOSED RENEWAL OF THE SHARE BUY-BACK MANDATE

Shareholders' approval is being sought at the forthcoming Thirty-Second AGM for the proposed renewal of the Share Buy-Back Mandate for the purchase or acquisition by the Company of its issued Shares. If approved, the Share Buy-Back Mandate as renewed will take effect from the Approval Date and continue in force until the date of the next AGM or such date as the next AGM is required by law to be held, unless prior thereto, Share Buy-Backs are carried out to the full extent mandated or the Share Buy-Back Mandate as renewed is revoked or varied by the Company in a general meeting. The Share Buy-Back Mandate will be put to Shareholders for renewal at each subsequent AGM of the Company.

Any purchase of Shares by the Company will have to be made in accordance with, and in the manner prescribed by, the Companies Act 2006, the Articles of Association, the rules of the Listing Manual, and such other laws and regulations as may for the time being be applicable.

2. PROPOSED MODIFICATIONS TO, AND RENEWAL OF, THE GENERAL MANDATE FOR INTERESTED PERSON TRANSACTIONS

2.1 EXISTING IPT MANDATE

Under Chapter 9 of the Listing Manual, a general mandate for transactions with Interested Persons is subject to annual renewal. The IPT Mandate was last renewed on 21 April 2016 and will, unless revoked or varied by the Company in a general meeting, continue to be in force until the conclusion of the next AGM of the Company, subject to satisfactory review by the Company's Audit and Risk Committee of its continued application to transactions with Interested Persons.

2.2 PROPOSED MODIFICATIONS TO BE MADE TO THE EXISTING MANDATE

The existing IPT Mandate is proposed to be modified, whereby strike-through text denotes deletions and double underlines text denotes insertions, as follows:

In consideration for GENT providing such services, the Group pays GENT an apportionment of the total manpower costs and all other costs necessarily incurred by GENT in generating the shared services plus a mark-up of 6% of such costs. The manpower costs include basic salary, bonus, overtime costs and other payroll related costs. The apportionment of costs is calculated based on the approximate amount of time spent by each personnel on the performance of duties for the Group. The Group also reimburses GENT for all out-of-pocket expenses. The Group will continue to receive such corporate services from GENT so long as the arrangement is economically beneficial.

c. **Reimbursement Services**

SCTSPL is the Group's appointed travel agent. The Group purchases air, land and sea transportation, hotels and other travel related arrangement and services from SCTSPL at the prevailing market price as may be required from time to time.

ii. **Provision of reservation and booking services**

RWS and GALGPHL entered into an agreement for GALGPHL to provide ~~the scope of~~ services, including but not limited to handling of English speaking inbound and outbound operation administration calls, provision of any reservations and booking services of tour packages, hotel rooms and any tickets for local and overseas customers of RWS in relation to the integrated resort and Genting Hotel Jurong, and handling of all amendment and cancellation related activities of any reservations and booking services of the integrated resort and Genting Hotel Jurong. The service fee chargeable by GALGPHL is based on prevailing market rates.

2.3 RATIONALE AND BENEFITS TO THE GROUP

In the ordinary course of business, the Group and the Interested Persons may enter into transactions with each other from time to time. Further, it is likely that such transactions will recur with some degree of frequency and could arise at any time.

The Directors are of the view that it will be beneficial to the Group to transact or continue to transact with the Interested Persons.

The Directors believe that the Group will be able to benefit from its transactions with the Interested Persons. The IPT Mandate and the renewal of the IPT Mandate on an annual basis will eliminate the need to convene separate general meetings from time to time to seek Shareholders' approval as and when potential Interested Person Transactions with the Interested Persons arise, thereby reducing substantially the administrative time and expenses in convening such meetings, without compromising the corporate objectives or adversely affecting the business opportunities available to the Group.

The IPT Mandate, including the modifications made thereto, is intended to facilitate transactions in the normal course of business of the Group which are transacted from time to time with the Interested Persons, provided that they are carried out on an arm's length basis and on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders.

2.4 CLASSES OF INTERESTED PERSONS

The IPT Mandate will apply to the Group's Interested Person Transactions with the Directors and Controlling Shareholders of the Company and their Associates.

Such Interested Persons include (i) the Directors; (ii) companies within the GENT Group such as GENT, GENM and GENP; (iii) substantial shareholders of GENT such as KHR and any intermediate holding companies; and (iv) Associates of the Directors.

Transactions with the Interested Persons which do not fall within the ambit of the proposed IPT Mandate shall be subject to the relevant provisions of Chapter 9 of the Listing Manual.

2.5 SCOPE OF THE IPT MANDATE

The present and ongoing Interested Person Transactions that will be covered by the IPT Mandate are as follows:

Services provided by the Group to Interested Persons

- (i) the provision of goods and services;
- (ii) the grant of software licenses; and
- (iii) the leasing of premises.

Services provided by Interested Persons to the Group

- (i) the provision of travel related services;
- (ii) the leasing of premises;
- (iii) the use of IT equipment and services;
- (iv) the provision of corporate services;
- (v) the provision of reimbursement services; and
- (vi) the provision of reservation and booking services.

Details of the Interested Person Transactions are contained in Annex A of this Appendix.

2.6 REVIEW PROCEDURES FOR INTERESTED PERSON TRANSACTIONS

The following procedures have been implemented to ensure that Interested Person Transactions under the IPT Mandate are undertaken on an arm's length basis, on normal commercial terms, are not prejudicial to the interests of the Company and its minority Shareholders, and are consistent with the Group's usual business practices and policies, which are generally no more favourable to the Interested Persons than those extended to unrelated third parties. All Interested Persons will abstain, and will undertake to ensure that their Associates will abstain, from voting on the resolution approving any of the Interested Person Transactions.

In particular, the following review procedures have been put in place:

- (i) when purchasing items from or engaging the services of an Interested Person, two other quotations from non-interested persons will be obtained (where available or feasible) for comparison to ensure that the interests of

minority Shareholders are not disadvantaged. The purchase price or fee for services shall not be higher than the most competitive price or fee of the two other quotations from non-interested persons. In determining the most competitive price or fee, all pertinent factors, including but not limited to quality, delivery time, standard of services, experience and expertise, track record and where applicable, preferential rates, rebates or discounts accorded for bulk purchase will be taken into consideration;

- (ii) when selling items or supplying services to an Interested Person, the price and terms of other successful sales of a similar nature to non-interested persons will be used in comparison to ensure that the interests of the minority Shareholders of the Company are not disadvantaged. The sale price or fee for the supply of services shall not be lower than the lowest sale or fee of the two other successful transactions with non-interested persons; and
- (iii) when renting immoveable properties or fixed assets from or to an Interested Person, the Directors shall take appropriate steps to ensure that such rent is commensurate with the prevailing market rates, including adopting measures such as making the relevant enquiries with owners of or real estate agents for similar immoveable properties or fixed assets. The rent payable shall be based on the most competitive market rental rate of similar immoveable properties or fixed assets in terms of capacity, space, area and location, based on the results of the relevant enquiries.

In cases where it is not possible to obtain comparables from other unrelated third parties, the Audit and Risk Committee will consider whether the pricing of the transaction is in accordance with usual business practices and pricing policies and consistent with the usual margins to be obtained for the same or substantially similar types of transactions to determine whether the relevant transaction is undertaken on an arm's length and on normal commercial terms. The Audit and Risk Committee will also weigh the benefits of, and rationale for, transacting with the Interested Person to determine whether the price and terms offered are fair and reasonable. The Group may then enter into the transaction with the Interested Persons, provided that the reasons for not obtaining the quotations must be stated by the relevant authorities that authorised the said transaction.

Threshold limits

In addition to the review procedures, the Group will supplement its internal systems as set out below to ensure that the Interested Person Transactions are undertaken on an arm's length basis, on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders:

- (i) Category 1 transaction is one where the transaction value is in excess of \$100,000, but below \$250,000. Such a transaction will be reviewed by the Chief Financial Officer and approved by the President and Chief Operating Officer, each of whom shall not be an Interested Person in respect of the particular transaction on the basis as set out above;

- (ii) Category 2 transaction is one where the transaction value is equal to or exceeds \$250,000, but less than \$1,000,000. Such a transaction will be reviewed by the Chief Financial Officer and approved by any two of the Directors, each of whom shall not be an Interested Person in respect of the particular transaction on the basis set out above; and
- (iii) Category 3 transaction is one where the transaction value is equal to or exceeds \$1,000,000. Such a transaction will be reviewed and approved by the Audit and Risk Committee prior to entry of the transaction, on the basis set out above.

If the approving authority has any interest, direct or indirect, in such transaction, such transaction will be reviewed by the next level of approving authority. In the event that a member of the Audit and Risk Committee is interested in any Interested Person Transaction, he will abstain from reviewing that particular transaction. Any decision to proceed with such an agreement or arrangement would be recorded for review by the remaining members of the Audit and Risk Committee.

Designated persons of the respective companies are required to submit details of all Interested Person Transactions entered into, to the Chief Financial Officer, including the value of the transactions. As a minimum, a report is to be submitted every quarter. A "nil" return is expected if there is no Interested Person Transaction for a previous quarter. For monitoring purposes, the Chief Financial Officer will maintain a register of Interested Persons. This register will be updated annually based on submissions by the designated persons.

The Audit and Risk Committee will review all Interested Person Transactions recorded in the Interested Person Transactions report submitted at least on a quarterly basis to ensure that they are carried out on normal commercial terms and in accordance with the procedures outlined above. All relevant non-quantitative factors will also be taken into account. Such review may include the examination of the transaction and its supporting documents or such other data if deemed necessary by the Audit and Risk Committee. The Audit and Risk Committee may also request for any additional information pertaining to the transaction under review from independent sources, advisers or valuers as they deem fit.

In addition, the Board of Directors will also ensure that all disclosure, approval and other requirements on Interested Person Transactions, including those required by prevailing legislation, the Listing Manual and relevant accounting standards, are complied with. The annual internal audit plan shall incorporate a review of all Interested Person Transactions entered into in the relevant financial year.

The Audit and Risk Committee and Board of Directors shall review the internal audit reports to ascertain that the guidelines and procedures established to monitor Interested Person Transactions have been complied with. In addition, the Audit and Risk Committee shall also review from time to time such guidelines and procedures to determine if they are adequate and/or commercially practicable in ensuring that transactions between the Group and Interested Persons are conducted on normal commercial terms. Pursuant to Rule 920(1)(b)(iv) and (vii) of the Listing Manual, if

during its periodic reviews, the Audit and Risk Committee believes that the guidelines and procedures as stated above are inappropriate or not sufficient to ensure that Interested Person Transactions will be carried out on normal commercial terms which will not be prejudicial to the interests of the Company and its minority Shareholders, the Company will seek a fresh mandate from the Shareholders based on new guidelines and procedures.

The Audit and Risk Committee is of the view that the methods and procedures for determining transaction prices, as set out above, (i) have not changed since approval for the IPT Mandate was last given and (ii) are sufficient to ensure that the Group's transactions with Interested Persons are on normal commercial terms which will not be prejudicial to the interests of the Company and its minority Shareholders.

All other existing and future Interested Person Transactions which are not subject to the IPT Mandate shall be carried out in accordance with the prevailing rules and regulations of the SGX-ST (in particular, Chapter 9 of the Listing Manual).

2.7 VALIDITY PERIOD OF THE IPT MANDATE

If approved by the Shareholders at the forthcoming Thirty-Second AGM, the IPT Mandate as modified and renewed will take effect from the date of receipt of such approval, and will (unless revoked or varied by the Company in a general meeting) continue in force until the next AGM of the Company and will apply to Interested Person Transactions entered into from the date of receipt of Shareholders' approval. Approval from Shareholders will be sought for the renewal of the IPT Mandate at each AGM, subject to review by the Audit and Risk Committee of its continued application to transactions with Interested Persons.

3. PROPOSED RENEWAL OF THE SHARE BUY-BACK MANDATE

3.1 RATIONALE FOR AND BENEFITS OF THE SHARE BUY-BACK MANDATE

The Directors constantly seek to increase Shareholders' value and to improve, *inter alia*, the return on equity of the Group. A share buy-back at the appropriate price level is one of the ways through which the return on equity of the Group may be enhanced.

Share buy-backs provide the Company with a mechanism to facilitate the return of surplus cash over and above its ordinary capital requirements in an expedient, effective and cost-efficient manner. It will also provide the Directors with greater flexibility over the Company's share capital structure with a view to enhancing the earnings and/or NTA value per Share.

The Directors further believe that share buy-backs by the Company will help mitigate short-term market volatility, offset the effects of short-term speculation and bolster shareholder confidence.

If and when circumstances permit, the Directors will decide whether to effect the Share purchases via Market Purchases or Off-Market Purchases, after taking into account the amount of surplus cash available, the prevailing market conditions and the most cost-effective and efficient approach. The Directors do not propose to carry out buy-backs to an extent that would, or in circumstances that might, result in a material adverse effect on the liquidity and/or the orderly trading of the Shares and/or the financial position of the Group, taking into account the working capital requirements of the Company or the gearing levels, which in the opinion of the Directors, are from time to time appropriate for the Company.

3.2 TERMS OF THE PROPOSED RENEWAL OF THE SHARE BUY-BACK MANDATE

The authority and limitations placed on purchases of Shares by the Company under the Share Buy-Back Mandate are summarised below:

3.2.1 Maximum number of Shares

The total number of Shares that may be purchased or acquired by the Company is limited to that number of Shares representing not more than 10% of the issued ordinary share capital of the Company as at the Approval Date.

For illustrative purposes only, based on the existing issued and paid-up capital of the Company as at the Latest Practicable Date of \$5,527,705,426 comprising 12,024,670,524 issued Shares (excluding 69,356,300 treasury shares), and assuming that no further Shares are issued on or prior to the forthcoming Thirty-Second AGM, not more than 1,202,467,052 Shares (representing approximately 10% of the issued ordinary share capital of the Company as at that date) may be purchased or acquired by the Company pursuant to the Share Buy-Back Mandate, if renewed.

3.2.2 Duration of authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the Approval Date, up to the earlier of:

- (i) the date on which the next AGM is held or required by law to be held;
- (ii) the date on which the share buy-backs are carried out to the full extent mandated; or
- (iii) the date on which the authority contained in the Share Buy-Back Mandate is varied or revoked.

3.2.3 Manner of purchase of Shares

Purchases of Shares may be made by way of, *inter alia*:

- (i) on-market purchases (“**Market Purchase**”), transacted on the SGX-ST or, as the case may be, any other securities exchange on which the

Shares may for the time being be listed and quoted, through one or more duly licensed stockbrokers appointed by the Company for the purpose; and/or

- (ii) off-market purchases (“**Off-Market Purchase**”) (if effected otherwise than on the SGX-ST) in accordance with an equal access scheme(s) as may be determined or formulated by the Directors as they may consider fit, which scheme(s) shall satisfy all the following conditions:
 - (a) offers for the purchase or acquisition of issued Shares shall be made to every person who holds issued Shares to purchase or acquire the same percentage of their issued Shares;
 - (b) all of those persons shall be given a reasonable opportunity to accept the offers made; and
 - (c) the terms of all the offers are the same, except that there shall be disregarded:
 - (aa) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;
 - (bb) (if applicable) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid; and
 - (cc) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

In addition, the Listing Manual provides that, in making an Off-Market Purchase, the Company must issue an offer document to all Shareholders which must contain at least the following information:

- (a) the terms and conditions of the offer;
- (b) the period and procedures for acceptances;
- (c) the reasons for the proposed share buy-back;
- (d) the consequences, if any, of share buy-backs by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (e) whether the share buy-back, if made, would have any effect on the listing of the Shares on the SGX-ST; and
- (f) details of any share buy-back made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases), giving the total number of Shares purchased, the

purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases.

3.2.4 Maximum purchase price

The purchase price (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) to be paid for the Shares will be determined by the Directors. However, the purchase price to be paid for a Share as determined by the Directors must not exceed:

- (i) in the case of a Market Purchase, 105% of the Average Closing Price (as defined hereinafter); and
- (ii) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Average Closing Price

(the “**Maximum Price**”) in either case, excluding related expenses of the purchase.

For the above purposes “**Average Closing Price**” means the average of the closing market prices of a Share over the last five Market Days, on which transactions in the Shares were recorded, preceding the day of the Market Purchase or the date on which the Company announces an Off-Market Purchase offer stating the purchase price and the relevant terms of the equal access scheme, and deemed to be adjusted for any corporate action that occurs after the relevant five-day period.

3.2.5 Procedure

Any purchase or acquisition of Shares by the Company will have to be made in accordance with, and in the manner prescribed by, the Companies Act 2006, the Articles of Association, the rules of the Listing Manual, and such other laws and regulations as may for the time being be applicable.

3.3 STATUS OF PURCHASED SHARES UNDER THE SHARE BUY-BACK MANDATE

3.3.1 Treasury Shares

The Articles of Association provide that any Shares purchased, redeemed or otherwise acquired by the Company may be held by the Company as treasury shares in accordance with the applicable provisions of the Companies Act 2006. Some of the provisions on treasury shares under the Companies Act 2006 are summarised below:

(a) Voting and Other Rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company may not: (i) exercise any right to attend or vote at meetings, or (ii) be paid any dividend or any other distribution of the Company's assets (including any distribution of assets to members on a winding up).

However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed, and such treasury shares will be treated as if purchased by the Company at the time they were allotted to it.

(b) Disposal and Cancellation

The Company is permitted to sell treasury shares for cash consideration or transfer them for the purposes of or pursuant to an employee's share scheme.

The Company is permitted to cancel treasury shares at any time, and upon cancellation, the Company's issued share capital will be reduced by the nominal amount of the shares cancelled.

The Company will announce any sale, transfer, cancellation and/or use of treasury shares in accordance with Rule 704(28) of the Listing Manual.

3.3.2 Cancellation of Shares

The Articles of Association provide that, unless held as treasury shares in accordance with the applicable provisions of the Companies Act 2006, any Shares that the Company purchases, redeems or otherwise acquires shall be cancelled. In respect of any Shares so cancelled, all rights and privileges attached to the Shares will expire on cancellation, and the total number of issued Shares of the Company will be diminished by the number of Shares cancelled.

3.4 SOURCES OF FUNDS FOR SHARE BUY-BACK

The Company intends to use internal sources of funds to finance purchases of its Shares. The Directors do not propose to exercise the Share Buy-Back Mandate to such an extent that it would materially affect the working capital requirements or the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

3.5 FINANCIAL EFFECTS OF THE PROPOSED RENEWAL OF THE SHARE BUY-BACK MANDATE

The financial effects arising from a purchase or acquisition of Shares pursuant to the Share Buy-Back Mandate, if renewed, on the Group and the Company will depend on, *inter alia*, the number of Shares purchased or acquired and the consideration paid for such Shares. The financial effects on the audited financial statements of the Group and the Company will depend, *inter alia*, on the factors set out below.

3.5.1 Number of Shares acquired or purchased

Based on 12,024,670,524 issued Shares (excluding 69,356,300 treasury shares) as at the Latest Practicable Date, the purchase by the Company of up to the maximum limit of 10% of its issued Shares will result in the purchase or acquisition of 1,202,467,052 Shares.

3.5.2 Based on Maximum Price paid for Shares acquired or purchased

For illustrative purposes only, on the basis of the assumption of the Maximum Price paid:

- (i) In the case of a Market Purchase by the Company and assuming that the Company purchases or acquires the 1,202,467,052 Shares at the Maximum Price of \$1.0406 for one Share (being the price equivalent to 5% above the average of the closing market prices of the Shares for the five consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 1,202,467,052 Shares is \$1,251,287,214 (excluding brokerage, commission, applicable goods and services tax and other related expenses).
- (ii) In the case of an Off-Market Purchase by the Company and assuming that the Company purchases or acquires the 1,202,467,052 Shares at the Maximum Price of \$1.1892 for one Share (being the price equivalent to 20% above the average of the closing market prices of the Shares for the five consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 1,202,467,052 Shares is \$1,429,973,818 (excluding brokerage, commission, applicable goods and services tax and other related expenses).

3.5.3 Illustrative financial effects

For illustrative purposes only, based on the above assumptions and the assumption that the purchase of Shares was financed by the internal resources within the Group, the financial effects of the purchase or acquisition of Shares by the Company pursuant to the Share Buy-Back

Mandate on the audited financial statements of the Group and the Company as at 31 December 2016, as if the Share Buy-Back Mandate had been renewed and fully utilised on the Latest Practicable Date are presented below:

- (2) Gearing ratio equals to total borrowings divided by total capital. Total capital is calculated as shareholders' equity plus total borrowings
- (3) Current ratio equals to current assets divided by current liabilities
- (4) Earnings per Share is calculated by dividing net profit attributable to shareholders of the Company by the weighted average number of ordinary Shares issued during the financial year

Shareholders should note that the financial effects set out above are for illustrative purposes only. In particular, it is important to note that the above analysis is based on historical audited financial statements for the financial year ended 31 December 2016 and is not necessarily representative of future financial performance.

Although the Share Buy-Back Mandate if renewed would authorise the Company to purchase or acquire up to 10% of the issued Shares, the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10% of the issued Shares.

3.6 LISTING MANUAL RULES

The Listing Manual specifies that a listed company shall notify all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m.:

- (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares; and
- (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer.

The notification of such purchases or acquisitions of its shares to the SGX-ST shall be in such form and shall include such detail that the SGX-ST may prescribe. Such announcement currently requires the inclusion of details of the total number of shares purchased, the purchase price per share or the highest and lowest prices paid for such shares, as applicable.

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the proposed renewal of the Share Buy-Back Mandate at any time after a price sensitive development has occurred or has been the subject of a decision until the price sensitive information has been publicly announced. In particular, the Company would not purchase or acquire any Shares through Market Purchases during the period of two weeks and one month immediately preceding the announcement of the Company’s interim results and the annual (full-year) results respectively.

The Listing Manual requires a listed company to ensure that at least 10% of any class of its listed securities must be held by public shareholders. As at the Latest Practicable Date, approximately 46.95% of the issued Shares are held by public Shareholders. As at the Latest Practicable Date and assuming the Company undertakes purchases or acquisitions of its Shares up to the full 10% limit pursuant to the Share Buy-Back Mandate as renewed, approximately 41.06% of the issued Shares will be held by public Shareholders. Accordingly, the Company is of the view that there is a sufficient number of the Shares in issue held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its

Shares up to the full 10% limit pursuant to the Share Buy-Back Mandate as renewed without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading.

3.7 TAKE-OVER OBLIGATIONS

Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:

3.7.1 Obligation to make a take-over offer

If, as a result of any purchase or acquisition by the Company of its Shares, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. If such increase results in a change of effective control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a mandatory take-over offer for the Company under Rule 14 of the Take-over Code.

3.7.2 Persons acting in concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons will, *inter alia*, be presumed to be acting in concert:

- (a) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts);
- (b) a company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the above companies, and any company whose associated companies include any of the above companies. For this purpose, a company is an associated company of another company if the second company owns or controls at least 20% but not more than 50% of the voting rights of the first-mentioned company;
- (c) a company with any of its pension funds and employee share schemes;

- (d) a person with any investment company, unit trust or other fund in respect of the investment account which such person manages on a discretionary basis;
- (e) a financial or other professional adviser, with its clients in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholding of the adviser and any of those funds in the client total 10% or more of the client's equity share capital;
- (f) directors of a company, together with their close relatives, related trusts and companies controlled by any of them, which is subject to an offer where they have reason to believe a bona fide offer for their company may be imminent;
- (g) partners; and
- (h) an individual, his close relatives, his related trusts, and any person who is accustomed to act according to the instructions and companies controlled by any of the above.

The circumstances under which Shareholders of the Company (including Directors of the Company) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

3.7.3 Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors of the Company and persons acting in concert with them will incur an obligation to make a takeover offer for the Company under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or if the voting rights of such Directors and their concert parties fall between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six months.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors of the Company will not be required to make a take-over offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buy-Back Mandate.

The Directors are not aware of any facts or factors which suggest or imply that any particular Shareholder is, or may be regarded as, a party acting in concert such that his interests in voting Shares in the capital of the Company should or ought to be consolidated, and consequences under the Take-over Code would ensue as a result of a purchase of Shares by the Company pursuant to the Share Buy-Back Mandate as renewed.

The Directors are not aware of any Shareholder who may become obligated to make a mandatory offer in the event that the Company purchases the maximum number of Shares under the Share Buy-Back Mandate as renewed.
