To : The Shareholders of Genting Singapore PLC

Dear Sir/Madam,

APPENDIX RELATING TO THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE FOR INTERESTED PERSON TRANSACTIONS

1. INTRODUCTION

The purpose of this Appendix is to provide shareholders with the relevant information pertaining to, and to seek shareholders' approval at the Twenty-Sixth AGM of the Company to renew the Shareholders' Mandate in compliance with Chapter 9 of the Listing Manual.

Chapter 9 of the Listing Manual applies to transactions which a listed company or any of its subsidiaries or associated companies proposes to enter into with an interested person of the listed company.

Chapter 9 of the Listing Manual allows a listed company to seek a general mandate from its shareholders for recurrent transactions of a revenue or trading nature or those necessary for its day-to-day operations, which may be carried out with the listed company's "interested persons".

General information relating to Chapter 9 of the Listing Manual, including the meanings of such terms such as "interested person", "associate", "associated company" and "controlling shareholder", are set out in Annex 1 of this Appendix.

The Shareholders' Mandate was deemed earlier obtained by the Company with the issue of the Prospectus in connection with the Company's proposed listing on the Main Board of the SGX-ST. Rule 920(2) of the Listing Manual allows the Company to treat a general mandate as having been obtained from the shareholders for the Company to enter into certain categories of interested person transactions with certain classes of interested persons, if the information required by Rule 920(1)(b) as set out below, is included in the Company's Prospectus:

- (i) the class of interested persons with which the entity at risk will be transacting;
- (ii) the nature of the transactions contemplated under the mandate;
- (iii) the rationale for, and benefit to, the entity at risk;

- (iv) the methods or procedures for determining transaction prices;
- (v) the independent financial advisor's opinion on whether the methods or procedures in (iv) are sufficient to ensure that the transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the issuer and its minority shareholders;
- (vi) an opinion from the audit committee if it takes a different view to the independent financial advisor;
- (vii) a statement from the issuer that it will obtain a fresh mandate from its shareholders if the methods or procedures in (iv) become inappropriate; and
- (viii) a statement that the interested person will abstain, and has undertaken to ensure that its associates will abstain, from voting on the resolution approving the transaction.

The Shareholders' Mandate which was renewed at the Twenty-Fifth AGM on 27 April 2010, is effective until the Company's Twenty-Sixth AGM to be held on 28 April 2011. The Company therefore seeks the approval of the Shareholders for a renewal of the Shareholders' Mandate at the forthcoming Twenty-Sixth AGM to be held at West Ballroom, Resorts World Convention Centre, Basement 2, 8 Sentosa Gateway, Resorts World Sentosa, Singapore 098269 on Thursday, 28 April 2011 at 10.00 a.m., subject to satisfactory review by the Company's Audit Committee of its continued application to transactions with interested persons.

2. RATIONALE FOR AND BENEFITS OF THE SHAREHOLDERS' MANDATE

In the ordinary course of business, the Group and the interested persons may enter into transactions with each other from time to time. Further, it is likely that such transactions will recur with some degree of frequency and could arise at any time.

The Directors of the Company are of the view that it will be beneficial to the Group to transact or continue to transact with the interested persons.

The Directors of the Company believe that the Group will be able to benefit from its transactions with the interested persons. The Shareholders' Mandate and the renewal of the Shareholders' Mandate on an annual basis will eliminate the need to convene separate general meetings from time to time to seek Shareholders' approval as and when potential interested person transactions with the interested persons arise, thereby reducing substantially the administrative time and expenses in convening such meetings, without compromising the corporate objectives or adversely affecting the business opportunities available to the Group.

The Shareholders' Mandate is intended to facilitate transactions in the normal course of business of the Group which are transacted from time to time with the interested persons, provided that they are carried out on an arms' length basis and on normal commercial terms and are not prejudicial to the interests of the Company and its minority shareholders.

3. SCOPE OF THE SHAREHOLDERS' MANDATE

3.1 Classes of Interested Persons

The Shareholders' Mandate will apply to the Group's interested person transactions with the Directors of the Company, and controlling shareholders of the Company and their associates.

Such interested persons include (i) the Directors; (ii) companies within the GENT Group such as GENT, GENM and GENP; (iii) substantial shareholders of GENT such as KHR and any intermediate holding companies; and (iv) associates of the Directors of the Company.

Transactions with the interested persons which do not fall within the ambit of the proposed Shareholders' Mandate shall be subject to the relevant provisions of Chapter 9 of the Listing Manual.

3.2 Categories of Interested Person Transactions

The present and ongoing interested person transactions that will be covered by the Shareholders' Mandate are as follows:

Services provided by the Group to interested persons

- (i) the provision of World Reservations Centre and e-commerce services;
- (ii) the provision of IT application related services;
- (iii) the provision of management and administrative services for the WorldCard loyalty programme;
- (iv) the provision of management services; and
- (v) the provision of international sales and marketing services pursuant to the ISMA

Services provided by interested persons to the Group

- (i) the provision of procurement, payment settlement and travel related services;
- (ii) the provision of corporate services;
- (iii) the leasing of premises;
- (iv) the licence of various IT systems; and
- (v) reimbursement services

Details of the interested person transactions are contained in Annex 2 of this Appendix.

The Shareholders' Mandate does not include the following:-

- (i) sharing of technical know-how;
- (ii) joint venture between the Group and the GENHK Group; and
- (iii) licence of the "Maxims" trademarks

Accordingly, in the event that the Company enters into new agreements or renews such transactions upon their expiry, the Company may be required by the Listing Manual to make an announcement or to obtain Shareholders' approval.

3.3 Review Procedures for Interested Person Transactions

The following procedures will be implemented to ensure that interested person transactions are undertaken on an arm's length basis and on normal commercial terms and are not prejudicial to the interests of the Company and its minority shareholders and are consistent with the Group's usual business practices and policies, which are generally no more favourable to the interested persons than those extended to unrelated third parties. All interested persons will abstain, and will undertake to ensure that its associates will abstain, from voting on the resolution approving any of the interested person transactions.

In particular, the following review procedures have been put in place:

- (i) When purchasing items from or engaging the services of an interested person, two other quotations from non-interested persons will be obtained (where available or feasible) for comparison to ensure that the interest of minority shareholders are not disadvantaged. The purchase price or fee for services shall not be higher than the most competitive price or fee of the two other quotations from non-interested persons. In determining the most competitive price or fee, all pertinent factors, including but not limited to quality, delivery time, standard of services, experience and expertise, track record and where applicable, preferential rates, rebates or discounts accorded for bulk purchase will be taken into consideration; and
- (ii) When selling items or supplying services to an interested person, the price and terms of other successful sales of a similar nature to non-interested persons will be used in comparison to ensure that the interests of the minority shareholders of the Company are not disadvantaged. The sale price or fee for the supply of services shall not be lower than the lowest sale or fee of the two other successful transactions with non-interested persons; and

- (iii) When renting immovable properties or fixed assets from or to an interested person, the Directors shall take appropriate steps to ensure that such rent is commensurate with the prevailing market rates, including adopting measures such as making the relevant enquiries with owners of or real estate agents for similar immovable properties or fixed assets. The rent payable shall be based on the most competitive market rental rate of similar immovable properties or fixed assets in terms of capacity, space, area and location, based on the results of the relevant enquiries.

In cases where it is not possible to obtain comparables from other unrelated third parties, the Audit Committee will consider whether the pricing of the transaction is in accordance with usual business practices and pricing policies and consistent with the usual margins to be obtained for the same or substantially similar types of transactions to determine whether the relevant transaction is undertaken on an arm's length and on normal commercial terms. The Audit Committee will also weigh the benefits of, and rationale for, transacting with the interested person to determine whether the price and terms offered are fair and reasonable. The Group may then enter into the transaction with the interested persons, provided that the reasons for not obtaining the quotations must be stated by the relevant authorities that authorised the said transaction.

Threshold limits

In addition to the review procedures, the Group will supplement its internal systems to ensure that the interested person transactions are undertaken on an arm's length basis and on normal commercial terms and are not prejudicial to the interests of the Group and its minority shareholders as follows:

- (i) Category 1 transaction is one where the transaction value is in excess of S\$100,000, but below S\$250,000. Such a transaction will be reviewed by the Chief Financial Officer and approved by the President and Chief Operating Officer and who shall not be an interested person in respect of the particular transaction on the basis as set out above;
- (ii) Category 2 transaction is one where the transaction value is equal to or exceeds S\$250,000, but less than S\$1,000,000. Such a transaction is to be approved by any two of the Directors and who shall not be interested in the transaction on the basis set out above; and
- (iii) Category 3 transaction is one where the transaction value is equal to or exceeds S\$1,000,000. Such a transaction will be reviewed and approved by the Audit Committee prior to entry, on the basis set out above.

If the approving authority has any interest, direct or indirect, in such transaction, such transaction will be reviewed by the next level of approving authority. In the event that a member of the Audit Committee is interested in any interested person transaction, he will abstain from reviewing that particular transaction. Any decision to proceed with such an agreement or arrangement would be recorded for review by the remaining members of the Audit Committee.

Designated persons of the respective companies are required to submit details of all interested person transactions entered into, to the Chief Financial Officer, including the value of the transactions. As a minimum, a report is to be submitted every quarter. A "nil" return is expected if there is no interested person transactions for a previous quarter. For monitoring purposes, the Chief Financial Officer will maintain a register of interested persons. This register will be updated annually based on submissions by the designated persons.

The Audit Committee will review all interested person transactions recorded in the interested persons report submitted at least on a quarterly basis to ensure that they are carried out on normal commercial terms and in accordance with the procedures outlined above. All relevant non-quantitative factors will also be taken into account. Such review may include the examination of the transaction and its supporting documents or such other data if deemed necessary by the Audit Committee. The Audit Committee may also request for any additional information pertaining to the transaction under review from independent sources, advisors or valuers as they deem fit.

In addition, the Company's Board of Directors will also ensure that all disclosure, approval and other requirements on interested person transactions, including those required by prevailing legislation, the SGX-ST Listing Manual and relevant accounting standards, are complied with. The annual internal audit plan shall incorporate a review of all interested person transactions entered into in the relevant financial year.

The Company's Audit Committee and Board of Directors shall review internal audit reports to ascertain that the guidelines and procedures established to monitor interested person transactions have been complied with. In addition, the Audit Committee shall also review from time to time such guidelines and procedures to determine if they are adequate and/or commercially practicable in ensuring that transactions between the Group and interested persons of the Group are conducted on normal commercial terms. Pursuant to Rule 920(1)(b)(iv) and (vii) of the Listing Manual, if during its periodic reviews, the Audit Committee believes that the guidelines and procedures as stated above are inappropriate or not sufficient to ensure that interested person transactions will be carried out on normal commercial terms which will not be prejudicial to the interests of the Company and its minority shareholders, the Company will seek a fresh mandate from the shareholders based on new guidelines and procedures.

The Audit Committee is of the view that the methods and procedures for determining transaction prices, as set out above, are sufficient to ensure that the Group's transactions with interested persons are on normal commercial terms which will not be prejudicial to the interests of the Company and its minority shareholders.

Review by Audit Committee

The Audit Committee will review all other existing and future interested person transactions not subject to the Shareholders' Mandate to ensure that they are carried out on normal commercial terms and are not prejudicial to the interests of the Company and its minority shareholders.

The Audit Committee will also review all interested person transactions to ensure that the then prevailing rules and regulations of the SGX-ST (in particular, Chapter 9 of the Listing Manual) are complied with.

4. VALIDITY PERIOD OF THE SHAREHOLDERS' MANDATE

If approved by the Shareholders at the Twenty-Sixth AGM, the Shareholders Mandate will take effect from the date of receipt of the Shareholders' approval, and will (unless revoked or varied by the Company in general meeting) continue in force until the next AGM of the Company and will apply to interested person transactions entered into from the date of receipt of Shareholders' approval. Approval from Shareholders will be sought for the renewal of the Shareholders' Mandate at each AGM, subject to review by the Audit Committee of its continued application to transactions with interested persons.

The Directors have also been awarded ordinary shares pursuant to the Performance Share Scheme of the Company. The vesting of the shares under the Performance Share Scheme is contingent upon achievement of various performance targets.
- (2) Tan Sri Lim Kok Thay is the Executive Chairman. He is a director of GENT, certain companies within the Genting Group and certain companies which are substantial shareholders of GENT. Tan Sri Lim Kok Thay is also one of the beneficiaries of a discretionary trust, the trustee of which is Parkview (please see Note (5) for information on this trust). A discretionary trust is one in which the trustee (and in the case where the trustee is a company, its board of directors) has full discretion to decide which beneficiaries will receive, and in whichever proportion of the income or assets of the trust when it is distributed and also how the rights attached to any shares held by the trust are exercised. The deemed interests of Parkview in the Shares of the Company are explained in Note (5). On account of Tan Sri Lim Kok Thay being a beneficiary of the discretionary trust, he is deemed interested in the Shares of the Company by virtue of the deemed interest of Parkview.
- (3) GOHL is a wholly-owned subsidiary of GENT. Therefore, GENT is deemed to be interested in the Shares of the Company held by GOHL.

As such, Parkview is deemed to be interested in the Shares of the Company held through KHR. Parkview is owned by Amaline (M) Sdn Bhd (a company controlled by Tan Sri Lim Kok Thay); Puan Sri Lim (nee Lee) Kim Hua (mother of Tan Sri Lim Kok Thay); Tan Sri Lim Kok Thay and Ms Roselind Niap Kam Lian each holding one share respectively, and Mr Gerard Lim Ewe Keng holding two shares.

6. AUDIT COMMITTEE STATEMENT

The Audit Committee of the Company comprising Mr. Lim Kok Hoong, Mr. Tjong Yik Min, Mr. Koh Seow Chuan and Mr. Tan Hee Teck has reviewed the terms of the renewal of the Shareholders' Mandate and has confirmed that the methods or procedures for determining the transaction prices of the interested person transactions have not changed since the issue of the Prospectus and the Company's listing and admission to the Official List of the SGX-ST. The Audit Committee is also of the view that such methods or procedures for determining the transaction prices of the interested person transactions are sufficient to ensure that the interested person transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority shareholders. However, should the Audit Committee subsequently no longer be of the opinion, the Company will revert to the Shareholders for a fresh mandate based on new guidelines and procedures for transactions with interested persons.

7. DIRECTORS' RECOMMENDATION

The Directors who are considered to be independent for the purposes of the proposed renewal of the Shareholders' Mandate are Mr. Lim Kok Hoong, Mr. Tjong Yik Min, Mr. Tan Hee Teck and Mr. Koh Seow Chuan (the "**Independent Directors**"). The Independent Directors are of the opinion that the entry into the interested person transactions between the Group and those interested persons (as described in paragraph 3.1 of this Appendix) in the ordinary course of its business will enhance the efficiency of the Group's operations and is in the best interests of the Company. For the reasons set out in paragraph 2 of this Appendix, the Independent Directors recommend that Shareholders vote in favour of Resolution 7, being the Ordinary Resolution relating to the proposed renewal of the Shareholders' Mandate at the forthcoming Twenty-Sixth AGM to be held at West Ballroom, Resorts World Convention Centre, Basement 2, 8 Sentosa Gateway, Resorts World Sentosa, Singapore 098269 on Thursday, 28 April 2011 at 10.00 a.m.

ANNEX 1

GENERAL INFORMATION RELATING TO CHAPTER 9 OF THE LISTING MANUAL

Scope

Chapter 9 of the Listing Manual applies to transactions which an issuer (or listed company) or any of its subsidiaries (which are not listed on the SGX-ST or an approved stock exchange) or associated companies (which are not listed on the SGX-ST or an approved stock exchange, provided that the listed group, or the listed group and its interested person(s), has control over the associated companies) proposes to enter with a counter-party which is an interested person of the issuer.

Definitions

An “**interested person**” means a director, chief executive officer or controlling shareholder of the issuer or an associate of any such director, chief executive officer or controlling shareholder.

An “**associate**” in relation to an interested person who is a director, chief executive officer or controlling shareholder of the listed company (being an individual) means an immediate family member (that is, the spouse, child, adopted child, stepchild, sibling or parent) of such director, chief executive officer or controlling shareholder; the trustees of any trust of which the directors and/or his immediate family, or the chief executive officer and/or his immediate family, or controlling shareholder and/or his immediate family is a beneficiary or, in the case of a discretionary trust, is a discretionary object; and any company in which the director and/or his immediate family, or the chief executive officer and/or his immediate family or controlling shareholder and/or his immediate family together (directly or indirectly) have an interest of 30% or more; and, where a controlling shareholder is a corporation, its “**associate**” means its subsidiary or holding company or fellow subsidiary or a company in which it and/or such other company or companies taken together (directly or indirectly) have an interest of 30% or more.

An “**associated company**” means a company in which at least 20% but not more than 50% of its shares are held by the listed company or the group. However, in the case of the Group, in addition to equity ownership, there must be ability to influence the policies of the company. Hence, the Group’s interests in Pacific Lottery Corporation are excluded from this definition. The definition will also include entities where the listed company or group owns more than 50% of the entity’s shares but has a contractual agreement to jointly share control with the third party, as in the case of DCP (Sentosa) Pte Ltd.

A “**controlling shareholder**” means a person who (i) holds (directly or indirectly) 15% or more of the total number of issued shares excluding treasury shares in the listed company. The SGX-ST may determine that a person who satisfies this paragraph is not a controlling shareholder; or (ii) one who in fact exercises control over a company.

General Requirements

Oakwood leases office space on the 7th, 16th, 17th and 19th floor of Wisma Genting, Jalan Sultan Ismail, 50250 Kuala Lumpur to ASSB, GISB, GIKE, GCS and EGenting respectively. 4. Licence of various IT systems

Prior to the EGenting Acquisition completed in June 2005, EGenting was a subsidiary and an IT arm of GENT. As the IT arm of GENT, EGenting developed various IT application systems which were then used at the Genting Highlands Resort and the GENHK Group. Such systems included the DRS, IGS, ITS and ING. To facilitate the usage of such IT systems by Genting Highlands Resort, to permit EGenting to continually upgrade and improve such IT systems and to rationalise the holding and allocation of such proprietary rights within the GENT Group, the rights and title to such systems in Malaysia were licenced by GENT to EGenting on a non-exclusive basis. EGenting is permitted to sub-licence these rights to other sub-licencees. The primary sub-licencee of such IT systems is GENM, for the use of such IT systems at the Genting Highlands Resort. In consideration for the right to sub-licence, EGenting will pay GENT royalty fees of 95% of the sub-licence fees received from the sub-licencees and 5% of the annual renewal sub-licence fees received from sub-licencees. The terms of these licences provide for the continued existence of such an arrangement unless otherwise terminated by the parties. This arrangement enables the Group to source for potential purchasers of such IT systems in Malaysia.

Further, EGenting is at liberty to obtain licencing rights and title to such systems outside Malaysia from the relevant owner of such systems. As the investment arm of the GENT Group outside Malaysia, the Group is then able to use such IT systems for the development of new business.

The licence fees paid by EGenting are determined on an arm's length basis and are provided on commercial terms.
