To : The Shareholders

Dear Sir / Madam,

THE PROPOSED RENEWAL OF THE SHAREHOLDERS' MANDATE FOR INTERESTED PERSON TRANSACTIONS

1. INTRODUCTION

At the Extraordinary General Meeting of Yoma Strategic Holdings Ltd. (the "**Company**") held on 10 September 2007, a Shareholders' mandate ("**Shareholders' Mandate**") was obtained for the Company and its subsidiary companies to enter into transactions falling within the categories of interested person transactions described in the Company's Circular to Shareholders dated 14 August 2007, with any party who is of the class or classes of interested persons described in the said Circular, provided that such transactions are made on normal commercial terms in accordance with the guidelines and procedures for review and administration of the interested person transactions as described in the said Circular. The Shareholders' Mandate was renewed at the Company's previous annual general meeting held on 21 July 2008 and will expire on the date of the forthcoming annual general meeting of the Company.

Accordingly, the Directors are seeking Shareholders' approval for the proposed renewal of the Shareholders' Mandate at the forthcoming annual general meeting of the Company (the "**AGM**") to be held at Connection 1, Level 3, Amara Hotel, 165 Tanjong Pagar Road, Singapore 088539 on 24 July 2009 at 10 a.m.

The purpose of this Addendum is to provide Shareholders with information relating to the above proposal.

2. PROPOSED RENEWAL OF THE SHAREHOLDERS' MANDATE

2.1 Chapter 9 of the Listing Manual

Under Chapter 9 of the SGX-ST Listing Manual (the "**Listing Manual**"), where a listed company or any of its subsidiary companies or associated companies (as defined in paragraph 2.2 below) which is an "entity at risk" (as defined in paragraph 2.2 below) proposes to enter into a transaction ("**Interested Person Transaction**") with the listed company's "interested persons" (as defined in paragraph 2.2 below), an immediate announcement, or an immediate announcement and shareholders' approval, will be required in respect of the transaction if the value of the transaction is equal to or exceeds the thresholds set out in Chapter 9 of the Listing Manual.

In particular, an immediate announcement is required where:

- (a) the transaction is of a value equal to, or more than, three per cent. (3%) of the latest audited consolidated net tangible assets (the "**NTA**") of the listed company and its subsidiary companies; or

- (b) the aggregate value of all transactions entered into with the same interested person during the same financial year amounts to three per cent. (3%) or more of the latest audited consolidated NTA of the listed company and its subsidiary companies. An announcement will also have to be made immediately of the latest transaction and all future transactions entered into with the same interested person during the financial year; and

Shareholders' approval (in addition to an immediate announcement) is required where:

- (a) the transaction is of a value equal to, or more than, five per cent. (5%) of the latest audited consolidated NTA of the listed company and its subsidiary companies; or
- (b) the transaction, when aggregated with other transactions entered into with the same interested person during the same financial year, is of a value equal to, or more than, five per cent. (5%) of the latest audited consolidated NTA of the listed company and its subsidiary companies. The aggregation will exclude any transaction that has been approved by shareholders, or is the subject of aggregation with another transaction that has been approved by shareholders.

For the purposes of aggregation, any Interested Person Transaction which is below S\$100,000 is to be excluded.

For illustration purposes, based on the audited consolidated accounts of the Company and its subsidiary companies (the "**Group**") for the financial year ended 31 March 2009, the audited consolidated NTA of the Group as at 31 March 2009 was S\$115.0 million. Accordingly, in relation to the Group, for the purposes of Chapter 9 of the Listing Manual in the current financial year, Shareholders' approval will be required where:

- (a) the transaction is of a value equal to, or more than, S\$5.7 million, being five per cent. (5%) of the latest audited consolidated NTA of the Group; or
- (b) the transaction, when aggregated with other transactions entered into with the same interested person during the same financial year, is of a value equal to, or more than, S\$5.7 million, being five per cent. (5%) of the latest audited consolidated NTA of the Group.

Chapter 9 of the Listing Manual however provides that a listed company may seek a general mandate from its shareholders for recurrent transactions of a revenue or trading nature or those necessary for its day-to-day operations such as the purchase and sale of supplies and materials which may be carried out with the listed company's interested persons, but not in respect of the purchase or sale of assets, undertakings or businesses.

2.2 Definitions

For the purposes of Chapter 9 of the Listing Manual:

- (a) an "**approved exchange**" means a stock exchange that has rules which safeguard the interests of shareholders against interested person transactions according to similar principles to Chapter 9 of the Listing Manual;
- (b) an "**associate**" means:
 - (i) in relation to any director, chief executive officer or Controlling Shareholder (being an individual):
 - (1) his immediate family member (that is, the person's spouse, child, adopted child, step-child, sibling and parent);
 - (2) the trustees of any trust of which he or his immediate family is a beneficiary or, in the case of a discretionary trust, is a discretionary object; and

- (3) any company in which he and his immediate family together (directly or indirectly) have an interest of thirty per cent. (30%) or more;
- (ii) in relation to a Controlling Shareholder (being a company), its subsidiary or holding company or a subsidiary company of such holding company or a company in which it and/or they taken together (directly or indirectly) have an interest of thirty per cent. (30%) or more;
- (c) **“Control”** means the capacity to dominate decision-making, directly or indirectly, in relation to the financial and operating policies of a company;
- (d) a **“Controlling Shareholder”** in relation to a listed company means a person who:
 - (i) holds directly or indirectly fifteen per cent. (15%) or more of the total number of issued shares excluding treasury shares in the company (unless the SGX-ST has determined such a person not to be a Controlling Shareholder of the company); or
 - (ii) in fact exercises Control over the company,
 or such other definition as the SGX-ST may from time to time determine;
- (e) an **“entity at risk”** means:
 - (i) the listed company;
 - (ii) a subsidiary company of the listed company that is not listed on the SGX-ST or an approved exchange; or
 - (iii) an associated company of the listed company that is not listed on the SGX-ST or an approved exchange, provided that the listed group, or the listed group and its interested person(s), has Control over the associated company;
- (f) an **“interested person”** means:
 - (i) a director, chief executive officer or Controlling Shareholder of the listed company; or
 - (ii) an associate of such director, chief executive officer or Controlling Shareholder;
- (g) an **“interested person transaction”** means a transaction between an entity at risk and an interested person; and
- (h) a **“transaction”** includes the provision or receipt of financial assistance, the acquisition, disposal or leasing of assets, the provision or receipt of services, the issuance or subscription of securities, the granting of or being granted options, and the establishment of joint ventures or joint investments, whether or not in the ordinary course of business, and whether or not entered into directly or indirectly.

2.3 Shareholders' Mandate

2.3.1 Rationale for the Shareholders' Mandate

Serge Pun is a Director, Chief Executive Officer and Controlling Shareholder of the Company and is also the controlling shareholder of Serge Pun & Associates (Myanmar) Limited (**“SPA”**) and its subsidiaries (collectively, the **“SPA Group”**) in which he and his immediate family together (directly or indirectly) have an interest of more than 30%. Therefore, Serge Pun and the SPA Group (which is an associate of Serge Pun) are interested persons of the Company within the meanings of Chapter 9 of the Listing Manual. As some of the SPA Group's businesses are similar or complementary to the Group's businesses in property development, construction and piling

services, project management and design services in Myanmar, certain transactions (as more particularly described in paragraph 2.5 below) between the SPA Group and the Group have occurred in the past and would occur from time to time. The Group intends to continue to enter into transactions with the SPA Group so long as it is in the interest of the Group to do so.

In view of the benefits of the Shareholders' Mandate to Shareholders (as described in paragraph 2.3.2 below), the Directors are seeking Shareholders' approval for the renewal of the Shareholders' Mandate for the Group to enter into Interested Person Transactions with the classes of interested persons set out in paragraph 2.4 below ("**Interested Persons**") including the SPA Group.

If approved by Shareholders at the forthcoming AGM, the proposed renewal of the Shareholders' Mandate will take effect from the date of receipt of Shareholders' approval at the forthcoming AGM until the next AGM of the Company, and shall apply in respect of Interested Person Transactions entered or to be entered into from the date of the forthcoming AGM until the next AGM of the Company, unless revoked or varied by the Company in general meeting. Thereafter, approval from Shareholders for renewal of the Shareholders' Mandate will be sought at each subsequent AGM of the Company.

2.3.2 Benefits of the Shareholders' Mandate

The Directors believe that the proposed renewal of the Shareholders' Mandate is in the interests of the Group for the following reasons:-

The SPA Group is a conglomerate with over 40 operating entities and has a wide spectrum of businesses. Part of the SPA Group's businesses are similar and/or complementary to the businesses of Group and as such, there are opportunities for the Group to leverage on the SPA Group's wide spectrum of businesses, many of which are able to add value to the businesses of the Group, and on the products and services provided to or by the SPA Group. The Group may also take full advantage of the opportunities available in Myanmar and tap on the wide network established by the SPA Group within the public and private sectors.

The Shareholders' Mandate will allow the Group to take advantage of such opportunities without incurring additional administrative costs and time in relation thereto. The Group will also benefit from having access to competitive quotes from its Interested Persons in addition to obtaining quotes from, or transacting with, non-Interested Persons.

The renewal of the Shareholders' Mandate on an annual basis would eliminate the need for the Company to announce, or to announce and convene separate general meetings from time to time to seek Shareholders' prior approval as and when potential Interested Person Transactions with a specific class of Interested Persons arise, thereby reducing substantial administrative time and expenses in convening such meetings, without compromising the corporate objectives and adversely affecting the business opportunities available to the Group. In addition, this will considerably improve administrative efficacy.

The Shareholders' Mandate is intended to facilitate the Interested Person Transactions in the ordinary course of business of the Group which the Directors envisage are likely to be transacted with some frequency from time to time with the Interested Persons, provided that they are carried out at arm's length and on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders.

2.3.3 Scope of the Shareholders' Mandate

The Shareholders' Mandate will cover a range of transactions arising in the ordinary course of business operations of the Group as set out in paragraph 2.5 below.

The Shareholders' Mandate will not cover any Interested Person Transaction which has a value below S\$100,000 as the threshold and aggregate requirements of Chapter 9 of the Listing Manual do not apply to such transactions.

Transactions with Interested Persons which do not come within the ambit of the proposed renewal of the Shareholders' Mandate will be subject to applicable provisions of Chapter 9 of the Listing Manual and/or other applicable provisions of the Listing Manual.

2.4 Classes of Interested Persons

The Shareholders' Mandate will apply to the Interested Person Transactions (as described in paragraph 2.5 below) to be carried out between any company within the Group and the following classes of interested persons:-

- (a) SPA Group; and
- (b) Directors, Chief Executive Officer and Controlling Shareholders of the Company and their respective associates.

2.5 Categories of Interested Person Transactions

The types of transactions with the Interested Persons (as described in paragraph 2.4 above) to which the Shareholders' Mandate applies and the benefits to be derived therefrom are set out below:-

2.5.1 General Transactions

This category is in respect of general transactions ("**General Transactions**") by the Group relating to the provision to, or the obtaining from, Interested Persons of the following products and services in the normal course of business of the Group:-

- (a) piling services including pile production and foundation piling works;
- (b) construction services including supply of raw materials for construction, finishing works, interior decoration, doors, windows and trusses;
- (c) design and architectural services including landscape, design, architecture, structure and building services;
- (d) project management services in respect of residential, commercial and industrial properties;
- (e) supply and purchase and/or distribution of raw materials and finished goods (which would include the supply of *Jatropha Curcas* or such other plantation produce which may be produced by Myanmar Agri-Tech Ltd. ("**MAGT**") under the Crop and Produce Supply Agreement dated 25 July 2007 entered into between MAGT and the Company's subsidiary, Plantation Resources Pte. Ltd.);
- (f) rental of office space and land;
- (g) vehicular repair and maintenance services;
- (h) information technology services including computer repair and maintenance;
- (i) security services;
- (j) hotel services (including room rental and sale and purchase of food and beverages); and
- (k) such other products and/or services which are incidental to or in connection with the provision, or the obtaining of the products and/or services listed above.

By providing such products and services, the Group will derive additional sources of revenue. In addition, when receiving such products and services, the Group will also benefit from having access to competitive quotes from its Interested Persons in addition to obtaining quotes from, or transacting with, non-Interested Persons.

2.5.2 Treasury Transactions

This category is in respect of treasury transactions (“**Treasury Transactions**”) which are principally the placement of funds with Interested Persons.

The Group deposits cash with Yoma Bank, a member of the SPA Group. Yoma Bank is a privately-owned commercial bank with one of the largest network in Myanmar.

2.5.3 Land Development Rights Transactions

This category is in respect of transactions relating to land development rights (“**LDR Transactions**”) and comprise the following:-

- (a) the receipt by Interested Persons on behalf of the Group of the sale proceeds of land development rights; and
- (b) the payment of marketing commission by the Group to Interested Persons in relation to the sale of land development rights.

The LDR transactions are carried out directly between the SPA Group and the end-buyers. The SPA Group will receive the sale proceeds from the end-buyers before remitting the Group’s share of its net proceeds to the Group.

The marketing department of SPA provides marketing services to the Group’s property development projects.

2.6 Review procedures for Interested Person Transactions

To ensure that Interested Person Transactions are conducted at arm’s length and on normal commercial terms consistent with the Group’s usual business practices and on terms which are generally not more favourable than those extended to unrelated third parties, and will not be prejudicial to the interests of the Company and its minority Shareholders, the Group has adopted the following procedures for the review and approval of Interested Person Transactions under the Shareholders’ Mandate. Any reference to the “Chief Financial Officer” in the following review procedures shall mean the Chief Financial Officer, or such other officer of equivalent rank or designation, of the Company for the time being.

2.6.1 General Transactions

- (a) All Interested Person Transactions are to be carried out:-
 - (i) at the prevailing market rates/prices of the services or product providers (including, where applicable, preferential prices/rates/discounts accorded to a class of customers or for bulk purchases, where the giving of such preferential rates/prices/discounts are commonly practised within the applicable industry and may be extended to unrelated third parties, provided that there is no difference in terms of preferential rates/prices/discounts accorded to unrelated third parties vis-à-vis Interested Persons), or otherwise in accordance with applicable industry norms; and
 - (ii) on terms which, in relation to services or products to be provided to an Interested Person, are no more favourable to the Interested Person than the usual commercial terms extended to unrelated third parties; or in relation to services or products to be obtained from an Interested Person, are no more favourable than those extended to the Group by unrelated third parties.

(b) In terms of sale of products or services:-

- (i) selling prices will be determined with reference to a standard price list in relation to the sales of such products or the provision of such services to unrelated third parties ("**Standard Price**"). Should there be any variation between the selling price and the Standard Price, the extent to which the selling price deviates from the Standard Price and the reasons for such variation will be analysed and shall be subject to the approval of a director of the relevant company of the Group (who has no interest, direct or indirect, in the transaction); and
- (ii) where the Standard Price is not available due to the unique nature of the product to be sold or service to be provided, a director of the relevant company of the Group (who has no interest, direct or indirect, in the transaction) and subject to the relevant required approvals as set out in sub-paragraph (d) below, will determine the pricing of such products to be sold or services to be provided to an Interested Person in accordance with industry norms and consistent with the usual business practices and pricing policies of the relevant company of the Group.

(c) In terms of purchases of products or services:-

- (i) in determining whether the price and terms offered by the Interested Person are fair and reasonable and comparable to those offered by unrelated third parties to the Group for the same or substantially similar type of product or service, the management of the relevant company in the Group will obtain at least two other quotations from unrelated third party vendors or suppliers for similar or substantially similar type of product or service as bases for comparison. The management will then submit the recommendation to a director of the relevant company of the Group (who has no interest, direct or indirect, in the transactions) for approval; and
- (ii) where it is impractical or not possible for such quotations to be obtained (for example, there are no unrelated third party vendors or suppliers of similar type of product or service, or the product or service is proprietary), a director of the relevant company of the Group (who has no interest, direct or indirect, in the transaction) will ensure that the price and terms offered to the Group are fair and reasonable and that the terms of supply from the Interested Person will (where applicable) be in accordance with industry norms.

(d) In addition to the above procedures, the following review and approval procedures have been implemented to supplement the existing internal control procedures for General Transactions:-

Value of each transaction	Required Approval
Less than S\$100,000 (or US\$65,000)	The approval of the managing director of the relevant company in the Group (who shall not be an Interested Person in respect of the particular transaction)
Greater than or equal to S\$100,000 (or US\$65,000) but less than or equal to 3% of the Company's latest audited consolidated NTA	The approval of the managing director of the relevant company in the Group; verification and confirmation by the Company's Chief Executive Officer or Director (who shall not be an Interested Person in respect of the particular transaction) prior to making any commitment to the transaction; and approval of one Independent Director

Value of each transaction	Required Approval
Greater than 3% but less than or equal to 5% of the Company's latest audited consolidated NTA	The approval of the Company's Chief Executive Officer or Director (who shall not be an Interested Person in respect of the particular transaction) and a majority of the members of the Audit Committee (excluding any person who shall be an Interested Person in respect of the particular transaction) prior to making any commitment to the transaction
Greater than 5% of the Company's latest audited consolidated NTA	The approval of the majority of the members of the Audit Committee and the Board of Directors (excluding any person who shall be an Interested Person in respect of the particular transaction) prior to making any commitment to the transaction

2.6.2 Treasury Transactions

- (a) The Company had on 27 June 2006 given an undertaking to the SGX-ST that:-
- (i) the Group will not obtain any loans from Yoma Bank which is an Interested Person; and
 - (ii) the Group will not deposit more than US\$500,000 in aggregate with Yoma Bank.
- (b) The following approval procedures have been adopted by the Company in respect of Treasury Transactions, in particular, the placement of the funds with Yoma Bank:-

Value of each cash deposit	Required Approval
Less than S\$30,000 (or US\$20,000)	The approval of the managing director of the relevant company in the Group (who shall not be an Interested Person)
Greater than or equal to S\$30,000 (or US\$20,000)	The approval of the managing director of the relevant company in the Group and verification and confirmation by the Company's Chief Executive Officer or Director (who shall not be an Interested Person)

- (c) The accounts department of each company in the Group will submit a report on its bank balance with Yoma Bank to the Chief Financial Officer on a daily basis. The Chief Financial Officer will ensure that the bank balance with Yoma Bank will not exceed the stipulated amount of US\$500,000 at all times.

2.6.3 Land Development Rights

- (a) The Chief Financial Officer shall ensure that the sale proceeds of the land development rights received on behalf by the Interested Persons are transferred to the Group within 3 business days of the collection date from the end buyers.
- (b) The Company's financial controller in its Yangon office shall review and approve, and report to the Chief Financial Officer on a monthly basis, any payment of marketing commission to Interested Persons in relation to the sale of land development rights.

- (c) The Company shall record all LDR Transactions in the register of Interested Person Transactions (as mentioned in paragraph 2.6.4 below) together with all the supporting documents such as sale contracts and receipt vouchers issued by Interested Persons to end buyers.

2.6.4 Other Procedures

In addition to the review procedures set out above, the following will also be implemented:-

- (a) The Company's financial controller in its Yangon office will maintain a register of transactions carried out with Interested Persons pursuant to the Shareholders' Mandate. Details such as the names of Interested Persons, the date, value and basis of Interested Person Transactions on which they were entered into, including the quotations obtained or sale invoices raised to support such basis, shall be recorded in the register, together with any original review documents.
- (b) The Company shall, on a quarterly basis, report to the Audit committee on all Interested Person Transactions and the basis of such transactions, entered into with Interested Persons during the preceding quarter. The Audit Committee shall review such Interested Person Transactions at its quarterly meetings except where any Interested Person Transactions require the approval of the Audit Committee prior to the transaction.
- (c) The Company's annual internal audit plan shall incorporate a review of all Interested Person Transactions, including the established review procedures for monitoring of such Interested Person Transactions, entered into during the current financial year.
- (d) The Audit Committee will conduct periodic reviews of not less than half-yearly of the review procedures for the Interested Person Transactions. If during the periodic reviews by the Audit Committee, the Audit Committee is of the view that the guidelines and review procedures for Interested Person Transactions have become inappropriate or insufficient in the event of changes to the nature of, or the manner in which, the business activities of the Group or the Interested Persons are conducted, new guidelines and procedures will be set so that Interested Person Transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.
- (e) For the purpose of the above review and approval process, any Director, who has an interest in the Interested Person Transaction under review and is not considered independent, will abstain from voting on any resolution relating to the Interested Person Transaction and/or abstain from participating in the Audit Committee's decision during its review of the established review procedures for the Interested Person Transactions or during its review or approval of any Interested Person Transaction.

2.7 Audit Committee's Confirmation

The Audit Committee of the Company currently comprises Messrs Basil Chan (Chairman), Kyi Aye and Adrian Chan Pengee. The Audit Committee has reviewed the terms of the Shareholders' Mandate and has confirmed that the methods or procedures for determining the transaction prices of Interested Person Transactions have not changed since the renewal of the Shareholders' Mandate on 21 July 2008. The Audit Committee is also of the view that such methods or procedures for determining the transaction prices of the Interested Person Transactions are sufficient to ensure that the Interested Person Transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

If during the periodic reviews by the Audit Committee, the Audit Committee is of the view that the review procedures as stated above have become inappropriate or insufficient in view of changes to the nature of, or manner in which, the business activities of the Group are conducted, the Company will revert to Shareholders for a fresh mandate based on new guidelines and review procedures to ensure that Interested Person Transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

2.8 Validity period of the Shareholders' Mandate

If approved by Shareholders at the forthcoming AGM, the renewal of the Shareholders' Mandate will take effect from the date of receipt of Shareholders' approval, and will (unless revoked or varied by the Company in general meeting) continue in force until the next AGM of the Company.

Approval from Shareholders will be sought for the renewal of the Shareholders' Mandate at the next AGM and at each subsequent AGM of the Company, subject to satisfactory review by the Audit Committee of its continued application to Interested Person Transactions.

2.9 Disclosure to Shareholders

In accordance with Chapter 9 of the Listing Manual, (a) the Company will disclose in the Company's Annual Report the aggregate value of all Interested Person Transactions conducted with Interested Persons, the name of the Interested Person and the corresponding aggregate value of the Interested Person Transactions entered into with the same Interested Person pursuant to the Shareholders' Mandate during the current financial year (as well as in the Annual Reports for subsequent financial years that the Shareholders' Mandate continues in force); and (b) the Company will announce the aggregate value of transactions conducted with Interested Persons pursuant to the Shareholders' Mandate for each relevant financial period which the Company is required to report on pursuant to the Listing Manual within the time required for the announcement of such report.

2.10 Voting at the AGM
